Welcome to the new school year—hope your summer went well! Boomer Bear and **Bear Essential News** are glad to be back with you. Students in grades 3–8 can join the FREE Young Reporters Program and start writing news stories for the newspaper (see below for details). Use the August issue to complete these activities. Have an outstanding school year!

Pick a News Highlights story or In the Spotlight to read, and find the 5W's & H of the story:

Which of these facts is most important to the story? _____

Be a Young Reporter for Bear!

This school year, Boomer would love having you write for his newspaper. Students in grades 3 through 8 can join the Young Reporters Program, learn how to collect facts, conduct interviews and write news stories that interest them! Young Reporters have met their favorite authors, athletes, singers and other musicians. They've interviewed presidents, first ladies, mayors, pilots and many other inspiring people. To print out the sign-up form, go to BearEssentialNews.com and look under the Young Reporters tab for the Phoenix or Tucson form. Answer these questions:

1. If you could interview any living person, who would it be? Why?

2. Did you go on any summer adventures? Are scouting meetings getting started or are you joining any new clubs? Come up with a story idea or two that you'd like to write about!

Main Feature—Goal Getters!

This month, **Bear Essential News** interviewed Dr. Jennie Clausen, Junior Achievement of Arizona's Inspire Program director to get great tips on how to set and realize your goals.

One of my goals for this school year is:

What steps do you plan on taking to achieve your goal?
